

IDIADA's Main Technical Centre in Spain Measures in relation to Covid-19 & travel restrictions

Updated 8th February 2021

Covid-19 status: Spain / Catalonia / Baix Penedès county

- ⊕ According to the [officially released data](#), during the 14-day period ending 5th February:
 - ⊕ At national level, Spain registered an average of cases 750 / 100,000 inhabitants
 - ⊕ At regional level, Catalonia registered an average of 462 cases / 100,000 inhabitants
 - ⊕ At county level, Baix Penedès (where IDIADA is situated) registered an average of 368 cases / 100,000 inhabitants

Covid-19 status: Spain / Catalonia / Baix Penedès county

- ⊕ The trend in the increase in number of cases in Catalonia peaked in mid-January and has now declined considerably
- ⊕ The infection rate (R) now stands at 0.86

Source link: [Catalan Regional Government](#) (8 Feb)

Covid-19 status summary

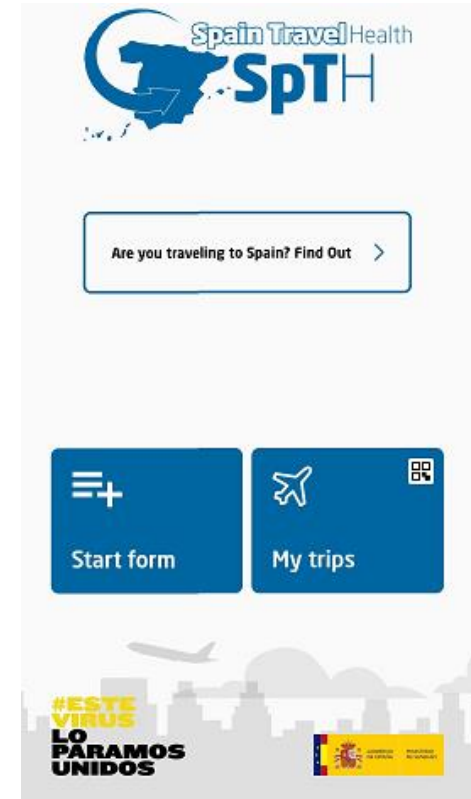

- ⊕ Exceptional measures and mobility restrictions at national and regional level are in place in order to maintain the capacity of the national health system
- ⊕ A national Covid-19 vaccination scheme was successfully launched throughout Spain in December and continues to gather pace
- ⊕ IDIADA continues to **guarantee a safe environment** in order to protect all clients, visitors and staff working at our premises during the current health situation

Spain entry requirements

Entry requirements upon arrival at Spanish airports are as follows:

- ⊕ Spanish borders are **open** to EU/Schengen members
- ⊕ Persons from 'risk' countries, as determined by the European Centre for Disease Prevention & Control are required to provide evidence of a negative PCR, TNA or LAMP test taken within no more than 72 hours prior to arrival, in order to enter the country
- ⊕ Arrivals will need to present the FCS authorization form and QR code (official app available via www.spth.gob.es), undergo a temperature check and visual inspection by medical staff
- ⊕ Travelers should confirm with their consulate and airline regarding current conditions for returning to country of origin
- ⊕ Travelers arriving to Spain by land via France must follow requirements for entering and transiting French territory

Spain entry requirements

- ⊕ Travelers from **non-EU/Schengen** countries should confirm with their consulate and airline regarding current restrictions to enter Spain and conditions for returning to country of origin

Covid-19 containment measures

- ⊕ Mobility restrictions are in force throughout Catalonia which affect clients working at IDIADA
- ⊕ **Commuting to and from work is exempt from these mobility restrictions**
- ⊕ During your stay, IDIADA can provide a certificate in order to provide authorities with justification in order to travel to and from our premises. Please request your IDIADA contact person in order to arrange

Lugar de trabajo: _____

Se expide a los efectos pertinentes en, Santa Oliva Tarragona a _____ de enero de 2021.

Covid-19 containment measures

- ⊕ The Catalanian government has put into place a system to vary the containment measures and restrictions applied in the region. Currently the region remains in phase 1, the highest level
- ⊕ In phase 1, restaurants are permitted to operate at a limited capacity for breakfast and lunch service until 16:30h. Many restaurants offer a take-away/delivery service for evening meals. Hotels are also open as normal
- ⊕ **Mobility within Catalonia is only permitted within each county boundary.** Persons are not permitted to leave the county (e.g. Baix Penedès or Garraf counties) they reside in unless for certain activities such as working
- ⊕ A **night-time curfew remains in force from 22:00h to 6:00h.** During this time, all persons must stay in their place of accommodation (home, hotel, etc.) from 22:00h onwards and may not leave before 6:00h without clear justification
- ⊕ Restrictions are also in place for crossing regional borders with other autonomous regions of Spain
- ⊕ The wearing of **facemasks is obligatory** in all public areas and social gatherings are limited to a maximum of **6** people

PCR and antibody testing service

- ⊕ To assist our clients, IDIADA provides a PCR and antibody testing service in order to **satisfy entry requirements for some countries**
- ⊕ PCR testing conducted at local health authorities' appointed laboratories is available for clients as required upon return to their home countries. **Tests results will be provided within 48h**
- ⊕ To arrange an appointment for PCR testing, please request your IDIADA contact person, **5 days in advance**
- ⊕ Additionally, as part of the internal safety protocols, IDIADA operates both antibody (IgM and IgG) and antigen (Ag) test services available to all employees, clients and visitors. **All IDIADA staff are encouraged to be tested on regular basis**

Additional technical support and remote testing services

- ⊕ IDIADA's technicians, engineers, workshop mechanics and test drivers are on hand to assist with client's development programs, either remotely or by providing **direct support to your onsite testing team**
- ⊕ IDIADA's **live streaming** and **remote testing** services are a cost-effective solution to keep your testing activities running in times of travel restrictions due to Covid-19
- ⊕ A key factor of this service is to permit the client control of the whole testing process and be able to provide input during testing, including during the set up of instrumentation
- ⊕ IDIADA has put in place various communication and safe data-transfer tools to keep a constant communication flow between client and the IDIADA team

Dedicated Telegram channel for Proving Ground clients

Accommodation & transportation suppliers approved by IDIADA

- ⊕ IDIADA is currently working with **Global Safe Site certified hotels** in Sitges (40 km / 40 min away from our facilities)

- Hotel Melià ****
- Hotel Sunway ****

- ⊕ In compliance with current health regulations, hotel operations have been adapted to **guarantee a safe environment for guests**. Additional cleaning and hygiene measures have been implemented and procedures and spaces have been adapted to the current situation

Accommodation & transportation suppliers approved by IDIADA

- ⊕ IDIADA can provide transfer suppliers that have been certified with **Biological Safety procedures**

- Autolux Serveis Integrals de Transport
- Avant Grup

- ⊕ Please contact Client Services to assist you with your accommodation bookings and transportation requirements

- ⊕ IDIADA works with car hire providers certified for their Covid-19 preventive and sanitary measures

- Europcar

Covid-19 audit carried out at IDIADA

IDIADA has successfully passed an audit conducted by AGS (authorized by the Spanish administration) and has been granted a **Covid-19 Responsible Company** certification for the implemented preventive/protective measures.

- ⊕ Covid-19 management system
- ⊕ Preventive measures and Covid-19 protocols
- ⊕ Personal Protective Equipment (PPE)
- ⊕ Coordination with suppliers and clients
- ⊕ Protocols established in event of positive case

Safeguarding clients, employees and visitors

⊕ IDIADA can provide the following personal protective equipment upon request

- Face masks
 - FFP2 respirator mask
 - Surgical masks

- Disposable gloves

- Hand sanitizers

PLEASE USE
HAND SANITIZER
BEFORE ENTERING

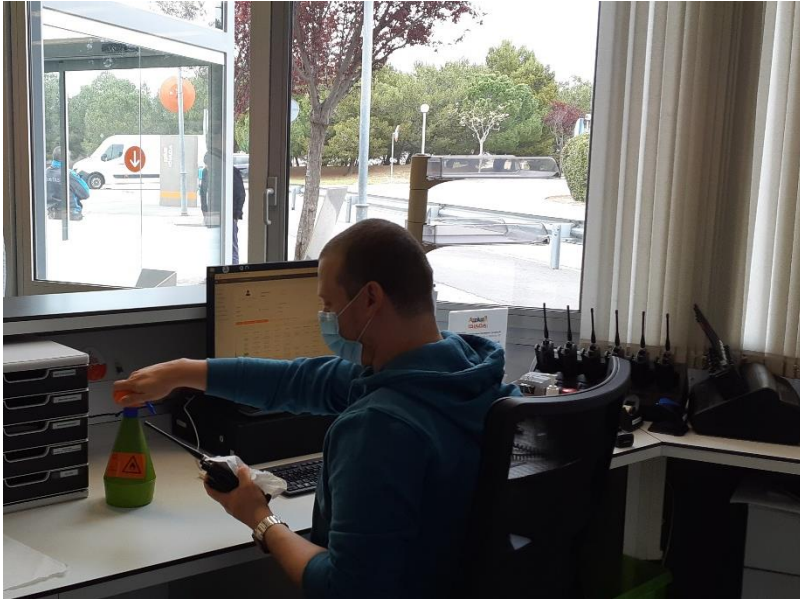

Safeguarding clients, employees and visitors

- ⊕ Antiseptic hydroalcoholic gel bottles are available at all entrances, receptions, toilets, meeting rooms and work areas
- ⊕ We monitor personnel, clients, suppliers and visitors' body temperature upon their arrival
- ⊕ A contactless entry system and a body thermometer have been enforced at access control
- ⊕ Employees and visitors who show symptoms (cough, fever, breathing difficulties) are **not allowed to enter**

Safeguarding clients, employees and visitors

- ⊕ **IDIADA's facilities and workshops are cleaned and sanitized** using special products that offer protection against microorganisms for 24 hours after application
- ⊕ **Specific disinfection protocols** have been enforced for all equipment handed out to clients, such as radios or boosters

Safeguarding clients, employees and visitors

- ⊕ Workshop offices and meeting rooms have been reorganized in order to ensure **social distancing** of at least 1.5 metres
- ⊕ Workshop offices are sanitized using ozone generators before clients' check-in and on request during their stay

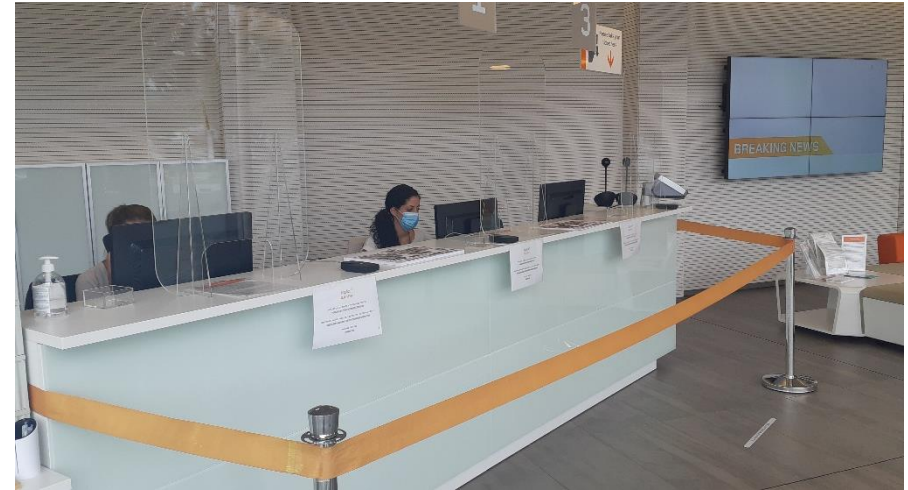

Safeguarding clients, employees and visitors

- ⊕ Ozone generator devices are also available for vehicle sanitizing

Safeguarding clients, employees and visitors

- ⊕ Protective screens and stanchions ensure **social distancing** of at least 1.5 metres at all counters

Safeguarding clients, employees and visitors

- ⊕ Our catering service offers an assortment of hot and cold dishes to take away, consisting of two main courses, dessert, bread and bottled drinking water
- ⊕ Eating areas both indoors and outdoors have restricted capacity to allow social distancing among users
- ⊕ Lunch service is available from 12:00h until 15:00h from Monday to Friday (except public holidays)
- ⊕ Meals can be taken in the canteen or to take-away

Safeguarding clients, employees and visitors

- ⊕ Vending machines at IDIADA are back in operation
- ⊕ Hand sanitizing before/after using them is strictly required, as well as following the social-distancing marks on the floor when queuing

Safeguarding clients, employees and visitors

- ⊕ The use of available technologies to hold meetings via videoconference is encouraged
- ⊕ Visits to specific facilities are restricted and face-to-face meetings that do not allow a minimum distance of 1.5 metres are not permitted
- ⊕ 500+ of our employees are **working from home**. The smaller number of people at IDIADA offices guarantees social distancing of at least 1.5 metres

We look forward to welcoming you at IDIADA
